Madonna School & Community-Based Services is a ministry of the Archdiocese of Omaha serving youth and adults with diverse abilities, including mild to moderate Intellectual and Developmental Disabilities (IDD) and Autism, through innovative and best-practice programs. Through each program we seek to help Form, Educate, Empower and Employ those we serve so they may achieve their full potential at home, school, work, and in the community.

Madonna's programs include:

- **PK-8 Education** with on-site experts at our two partner schools, St. Pius/Leo, and St. Robert Bellarmine.
- **Secondary Education** with core and functional academics, pre-vocational instruction, community-based learning experiences and many extra-curricular activities.
- **Transition** for young adults ages 18-21, with programs focused on developing the career and life skills that are key for a successful transition into adulthood.
- **Adult Services** for adults ages 21+ who are working hard to achieve competitive employment, independence, and community inclusion. Programs include Day Service, Employment Services, Residential Services, and Family Navigation services.
- **Project Search** a 10-month work training program for adults who exhibit work readiness, operated on the campus of UNMC and Nebraska Medicine and in partnership with the Munroe-Meyer Institute.
